## Mission Statement

To provide quality services for patients during their medical trips, all services under one roof

2009 ● The MED WIND for medical tourism was founded in 2009 by Ahmed Laz, it was an egyptian company which provides health care solutions for europe specially in czech republic

2019 ● When Mr. Adly joined the company , he changed all strategie, plans and marketing with fully control of the company, starting with establishing branch in europe

## TODAY ● Ownership Structure

The ownership structure is sole proprietorship because there are no other owners besides Ahmed Adly himself  
the branch become now big company with a Name in medical care facilities, as we opened cooperations with more than 50 hospitals

## Legal Status of Business

The legal status of business limited liability company, because this type of form does not require any documentation other than registering with one's county or city. Also, Ahmed Adly performs all management duties himself so he doesn't have any subordinates besides managers that are employed through other companies  
However, employees are paid directly from MED WIND s.r.o Business bank accounts so they are legally considered employees under Ahmed Adly

## Location

The location of the business is Emana Slívy 59, Vratimov , 739 32, czech republic  
This address was chosen because firstly .  
Ahmed Adly has his own house there and also its located beside the biggest spa and rehabilitation center we can be near to our customers

## Address Numbering

(Addresses are numbered according to house number (59 cross street (Emana slívy). For example, Emana slívy would be at the intersection of Main St . There is no good way for determining an actual structure's location except by using GPS systems which are generally outdated compared to newer mapping apps like Google Maps

## Purchasing the Business

Ahmed Adly is currently owner and president of MED WIND s.r.o with no plans to retire in the near future. He would not be willing to sell this company for any price , he has experience running it himself  
May be in the near future he will need to find investors to open new offices specially in arab countires to make it easier for customers
